RECEIVED

No. 0590, September Term, 2020

NOV 30 2020

BY COURT OF SPECIAL APPEALS

BOISEY LEVERN NEAL v. STATE OF MARYLAND 11/28/20

Appellant

Appellee

INFORMAL BRIEF OF THE APPELLANT

Please refer to the Guidelines for Informal Briefs provided  
with this form for instructions on how to fill out this form.

1. A. Identify the dates of each order, judgment, or decision from which you are appealing? \_\_\_\_\_

MEMORANDUM ORDER which was DENIED ON  
~~April 25th, 2020~~, July 20th, 2020

- B. What is the date that you filed your notice of appeal? April 25th, 2020

2. **Issues that you would like the Court of Special Appeals to review.** Either in the following space or on additional pages attached to this informal brief (no more than 15 pages), identify the issues that you would like the Court of Special Appeals to consider, identify the facts relating to those issues, and identify your argument in support of the resolution of those issues. When referencing facts, identify where the facts can be located in the record (in other words, exhibits, transcripts, pleadings, orders, decisions, etc.). You may cite case law, statutes, or other authorities, but you are not required to do so. You may attach any relevant documents from the record.

### Issue 1.

Appellant SERVED 10 YEARS and 9 months on a "10 year illegal sentence", was RESENTENCED but was not given any credit.

#### Supporting Facts and Argument:

ON FEBRUARY 21, 2019, Appellant filed a Petition for Writ of Habeas Corpus, because he was SERVING an illegal sentence of 10 YEARS that was RAN consecutive to the wrong sentence. The State conceded that the Appellant's 10 year sentence that was imposed on March 10th, 2009, was illegal. On DECEMBER 20th, 2019, The Appellant was RESENTENCED after SERVING 10 YEARS and 9 months on the March 10th, 2009, illegal sentence, but was given "No credit" for the 10 years and 9 months SERVED on the illegal sentence.

Appellant should have RECEIVED "full" credit for all time ~~spent~~ spent in custody under C.P. 6-218 (b)(1)(c)(d)(e)(i).

Appellant also SERVED 7 months in Wilson, NC before he was transferred to Anne Arundel County but the Anne Arundel County court did give credit starting from October 18th, 2006, when Appellant was first placed in custody in Wilson, NC.

## Issue 2

The Appellant has served his sentence past his Release date.

### Supporting Facts and Argument:

Appellant should have been Released on December 20th, 2019, once he was Resentenced. The Question is clear this? If the Appellant sit in Jail for 10 years and 9 months before he was sentenced, at sentencing would the Court give the Appellant Time Served?

The Court of Special Appeals Stated in Larry Daniel Bratt do. 874 September Term, 2018, that under Art. 27 § 638C, MR. Bratt was entitled to credit for time served in custody "Prior" to the conviction.

October 18th, 2006, should be the true starting date, and the credit for 10 years and nine months should have been given under Maryland law. The 15 years imposed from Anne Arundel County had already been served before the December 20th, 2019, Resentencing.

SEE Tr. page. of sentencing where Judge states that the Appellant did serve his first sentence imposed by AAC.

3. **Relief Requested.** Identify the action you would like the Court of Special Appeals to take (reverse the judgment, vacate the judgment, remand the case to the circuit court, etc.):

REVERSE THE JUDGMENT, and REMAND  
the case to the circuit to issue the Appellant  
his full credit for all time spent in custody  
and change his starting date to October 18th, 2006,  
and issue TIME SERVED.

4. **Related Cases or Appeals.** Identify all prior appeals from this circuit court case or any related case. Provide the case name, case number, and the outcome of the appeal.
